THE COMPANY

WHO WE ARE

02

Bul Trading Consult is a Bulgarian company specialised in the production and trade of biodegradable products for the Food & Beverage and other industries. The company was established in 2021.

- A young and dynamic team, ready for every challenge of the European market.
- Professional training and quick response established us as leaders in the trade of biodegradable products.
- Our vision is to work with reliable converters we know, creating an environment of trust and sustainable satisfaction with our European customers.

DIRECT FROM THE SOURCE

- Bul Trading Consult has agreements with several leading and premium paper packaging converters in the sector.
- Products to be exported are invoiced directly by the mentioned converters.
