500 ml / 20oz	Ø 90 mm	Ø 62 mm	157 mm	50	1000	0.099

Espresso sizes

100 ml paper cups are commonly used for espresso and product tasting.

Most popular sizes

250, 300 and 400 ml paper cups are the most popular on the coffee market and cover almost all drinks on a coffee shop beverage list. The popularity of drinks in 500 ml cups keeps growing.

Vending sizes

Paper cups with a top diameter of 70 and 73 mm can be used in vending machines, both Asian and European.

Material and production

Cups are produced from virgin cellulose board with PE lamination. The side seam is perfectly sealed and the bottom sealing guarantees water tightness. All tests are undertaken according to ISO 9001 and HACCP standards.

Plain White Double-Wall Cups “ThermoCup”

Plain white double-wall paper cups “ThermoCup” don’t burn palms and keep drinks hot for a long time. The cups are constructed like a thermos and meet the requirements of even the most discerning customers.

TECHNICAL SPECIFICATION

- Volumes: 250, 300, 400 and 500 ml.
- Top diameters Ø 80 and 90 mm.
- Produced on German “Hoerauf” equipment.
- Bottom sealing made with sliding platforms technology that prevents leakage.
- Puffed paper with insulation coating and large air gap.
- Production within the scope of ISO 9001 Quality Management System.

OPTIONS

- Soft-touch, matt or glossy finishing.
- Full-colour branding.
- Matching lids.

Any design can be printed — full-colour CMYK / PANTONE, your artwork or ours.

Kraft Double-Wall Paper Cups

Double-wall kraft paper cups are a visual implementation of elegance and prestige. The warm and appetizing kraft colour will become a key to the success of any coffee shop.

TECHNICAL SPECIFICATION

- Volumes: 250, 300 and 400 ml.
- Top diameters Ø 80 and 90 mm.
- Inscriptions made with chalk and labels look great on a kraft cup.
- Double wall keeps the drink hot and protects hands.
- Only certified raw materials from renewable forests – FSC certificates available.

OPTIONS

- Kraft, black or white lids.
- Logo printing in 1-2 colours.

Any design can be printed — full-colour CMYK / PANTONE, your artwork or ours.

Double-Wall Cups with “Big City Life” Print

Big City Life is a legendary design among our product range. Striking accents and perfect printing of the picture’s details will amplify the delight of wonderful coffee served in double-wall cups.

- Top diameters Ø 80 and 90 mm.
- Two colourful artworks printed on each cup.
- Soft-touch coating gives the cup a pleasant feel.
- Production within the scope of ISO 9001 Quality Management System.

OPTIONS

- Seasonal pre-order programme.
- Matching lids.

Any design can be printed — full-colour CMYK / PANTONE, your artwork or ours.

Double-Wall Paper Cups

Dimensions, volume and packing specification of double-wall paper cups. The construction combines an inner cup, a large air gap and puffed paper with insulation coating.

Volume	Top Ø	Bottom Ø	Height	Pcs / pack	Pcs / box	Box vol., m ³
250 ml	Ø 80 mm	Ø 56 mm	92 mm	20	500	0.096
300 ml	Ø 90 mm	Ø 60 mm	111 mm	20	400	0.085
400 ml	Ø 90 mm	Ø 60 mm	135 mm	18	360	0.099
500 ml	Ø 90 mm	Ø 62 mm	157 mm	15	300	0.103

Construction

Space for the drink, a large air gap and an outer layer of puffed paper with insulation coating keep the drink hot and protect hands from burning.

Equipment

Double-wall cups are produced on German “Hoerauf” equipment with sliding platforms bottom sealing technology.

Finishing

Soft-touch coating makes the surface of the cup velvet and pleasant to hold. Glossy coating helps to highlight details of the design and adorns the printing on the cup.

Branding

Any design can be printed — full-colour CMYK and/or PANTONE, your artwork or ours.

Paper Plates - White & Kraft

White paper plates are made from 100% virgin cellulose board and are available in coated and laminated versions, free of recycled material. Kraft plates are made from 100% unbleached virgin cardboard – the natural shade goes well with fast food and emphasises sustainability.

TECHNICAL SPECIFICATION

- Diameters Ø 180 mm and Ø 230 mm, standard and high rim.
- Manufactured only from virgin European pulp cardboard.
- Highly rigid board withstands considerable product weight without deformation.
- Deep and high-quality moulding – edge height and relief of design elements are top-notch.
- Safety confirmed by certificates.

OPTIONS

- Coated or laminated versions.
- White or natural kraft shade.
- Convenient for fast food restaurants, catering and cafés.

Any design can be printed — full-colour CMYK / PANTONE, your artwork or ours.

Round-Bottom Paper Containers

Universal paper containers for hot and cold dishes, desserts and fast food. They can be used for any kind of food such as cereals, soups, salads, fruits and nuts, and work great for food deliveries and showcases. Available in white, kraft and double-sided kraft.

TECHNICAL SPECIFICATION

- Volumes: 300, 500, 750 and 900 ml.
- Diameters Ø 90, 98, 135 and 150 mm.
- Fully water and grease resistant board.
- Double-sided kraft option for a warm, sophisticated look on the shelf.
- Only certified raw materials from renewable forests – FSC certificates available.

OPTIONS

- Two types of flat lids: ultra clear PET for cold products and PP for hot dishes.
- Dome-shaped PET lids for tall salads and desserts.
- Full-colour printing of the sleeve area.

Any design can be printed — full-colour CMYK / PANTONE, your artwork or ours.

Paper Noodle Boxes - White, Kraft & “Noodle” Design

China boxes are perfect for all types of dishes and takeaway food. Kraft versions focus on eco-friendly packaging while looking stylish and modern; the “Noodle” design combines kraft paper and black colours for a unique look ideal for noodles, rice or wok.

TECHNICAL SPECIFICATION

- Volumes: 500 ml and 700 ml.
- Inner lamination prevents leaks and protects the box from getting wet.
- Two-position lock allows a tight closure with any filling.
- Available in plain white, kraft and “Noodle” printed design.
- Only certified raw materials from renewable forests – FSC certificates available.

OPTIONS

- Custom print on the box surface.
- Matching kraft containers and cups.

Any design can be printed — full-colour CMYK / PANTONE, your artwork or ours.

Customized Paper Packaging

We offer a wide range of branding options for your paper packaging products. Any design can be printed – we have a long history of successfully working with large runs of leading food manufacturers and retail chains, delivering on time and maintaining affordable prices.

TECHNICAL SPECIFICATION

- Matt or glossy white cardboard (1PE or 2PE lamination) or kraft cardboard.
- Full-colour CMYK and/or PANTONE printing – your artwork or ours.
- UV coating, soft-touch and glossy finishing.
- Packaging dieline customized to specific requirements.
- Individual calculations for any run size.

OPTIONS

- Soft-touch coating – velvet surface with a pleasant feel.
- Glossy coating – highlights details of design on bright and dark backgrounds.
- Design and pre-press support.

Any design can be printed — full-colour CMYK / PANTONE, your artwork or ours.
